Introduction

Occupying an area of over 75 hectares, Green World Ecological Farm is located in Beipu, Hsinchu. It is an international-class ecological farm featuring six theme parks.

Green World is a large-scale ecological farm combining the natural ecology of animals and plants with leisure, education and recreation. In addition to the six theme parks, Green World has 46 scenic spots, including: Macaw Area, Alpaca House, Lovely Animal Area, Exotic Cuisine, Animal Amphitheater, etc.
